

Invitation :

We are very happy to invite you for UGC sponsored three days National Workshop on 'Advances in Statistics Research and Data Analysis' During 27th to 29th March 2015, organized by Department of Statistics, Science College, Nanded. The main purpose of this workshop is to bring together the applied and theoretical Statisticians Researcher and students on one platform to understand the applications of statistics in various fields and to understand the developed skills for Statistical consultancy in the applied research.

About College :

Poojya Swami Ramanand Teerth the great leader of Marathwada liberation movement established Nanded Education Society's Science College Nanded in 1950. As a pioneer institute to impart higher education to the under privileged, educationally and economically backward area. It emphasizes as a future & need of science research in this region. It is only single faculty college for science education with 18 science U.G. subjects and 8 post-graduate subjects, also one P.G. innovative courses. College has been re-credited with "A" grade by NAAC with CGPA 3.47 in 2011.

Dept. of Statistics :

Science College is the first college

to start Statistics Dept. in the University area since 1980. As a response from students, department run effectively from past 35 year. Apart from teaching Dept. is actively involved in academic, advanced research and consultancy services at state & National levels. The Dept. has made rapid strides in teaching, research and outreach activities. The Major areas of research are Operations Research, Design of Experiment, Neural Network, Fuzzy Theory. The faculty is actively associated for research with National, International renowned institutions & society's. This department is recognized research center of S.R.T.M. University Nanded since 1994 and has two research guides. Six candidates have been awarded Ph.D. and eight are working for Ph.D.

Objectives of workshop :

- 1) To provide an overview of current research in Statistics.
- 2) To understand the commonly used Statistical techniques in research.
- 3) To help the participants to gain a better understanding of appropriate techniques useful to their work area and applications.
- 4) To develop expertise & confidence among participants while using data analysis tools for different research thrust areas.
- 5) To learn about the use of various data analysis methods in research

and enable participants to differentiate among the available statistical tools and apply them to given research problem.

About Nanded :

Nanded is a district place situated on the bank of holy river Godavari in the southern part of Maharashtra bordering Andhra Pradesh. Nanded is historical sikh pilgrim centre, Gurudwara Takhat Sachkhand Shri Huzur Sahib. Nanded was historically known Nandgiri.

This city has become the hub of education and Technology since the establishment of SRTM University in 1994. Land of Nanded district is fertile for a agricultural production specially for Banana. It is well connected with Railways, Road with regular frequencies it is on South Central Railway Line Manmad-Hyderabad. Recently Nanded Railway Station is nominated as a Huzur Saheb Nanded Railway Station.

Registration :

Any faculty member, Research Scholars, Students of U.G. & P.G. Degree Colleges, Industrialist, Social Workers, Biologist, Scholars working in Bio-Statistics, Bio-informatics, Medical Statistics, Data Analyst, Administrator can register for this workshop. The Intake capacity of workshop is 30 participants only. The preference will be given on first come first basis

Registration Fees:

Faculty Member & others	- 1500 /-
Research Scholars	- 1000/-
Students	- 0500/-

(Subject to proof of Identification)

Registration fee will be paid through Demand Draft / Multicity Cheque in favour of Principal, N.E.S. Science College, Nanded. (Payable at Nanded) along with duly filled registration form. Registration fee includes Conference kits, Tea, Lunch & Dinner. Accommodation will be arranged on prior request.

Important Dates:

Last Date of Registration. 20th March 2015
Workshop Dates 27th to 29th March 2015-
