**Vision**

*"To Educate And Transform The Youths To Touch Life At All Points With Human Values"*

## ABOUT THE COLLEGE

Nanded Education Society's Science College, Nanded, one of the oldest single faculty science colleges was established by great visionary and leader of Hyderabad liberation struggle, Poojya Swami Ramanand Teerth, in 1950. **National Assessment and Accreditation Council (NAAC), Bangalore** has reaccredited this institution **with 'A' grade with CGPA 3.47**. The institution is imparting quality Science Education in the region of Marathwada for last six decades. The institution provides education in 15 science disciplines with 35 subject combinations having adequate vocationalization and academic flexibility. The institute runs ten P.G. Courses. The institution always strives to imbibe the progressive and scientific attitude in the minds of the students.

The college explores the hidden talent of the students to draw the best so that they would enhance their placement prospectus after graduation, post graduation in addition to a consistently strong academic record. The College has healthy & innovative practices like students guardianship, earn and learn scheme, career guidance & placement cell with special reading room, remedial coaching, NET-SET guidance, strong units of NSS & NCC, internet resource center, a big & fully automated library with 50,000 books & 120 periodicals with separate section of back volumes and reading hall etc. which help students for all round development. The college is known to be the pioneer in offering research facilities in different subjects leading to Ph.D. degree. IGNOU, New Delhi is a partner institute with Science College under convergence scheme. Lectures by experts, seminars, workshops, conferences, research paper presentation are regular features in this college which helps in building research aptitude, innovation, team spirit and creativity among students. This enforces the extension activities like health awareness, blood donation camp, etc. In college, more emphasis is given on teaching-learning-evaluation, along with sports, cultural and social activities.

This college has accepted the new challenges to

produce knowledge based efficient students according to globalization. The college has a beautiful campus with garden, canteen, medicinal plant garden and lush greenery over 85 acres of land with ultra modern amenities situated in the heart of Nanded city. It is essential to look ahead to stay ahead.

## THEME OF WORKSHOP

This workshop aims at inculcating scientific thinking and research attitudes in young minds. Students would be exposed to expert advice on the current thrust areas in research as per our national priorities. This advice will help the students to select appropriate topics for project work.

## AIM & OBJECTIVES

The Swami Ramanand Teerth Marathwada University, Nanded has recently introduced the project work in UG and PG syllabi. The aim and objectives of workshop are-

- To inculcate research culture among students.
- To encourages original and novel thinking.
- To provide an opportunity for expression of academic talent.
- To promote interaction among academia, R & D Institutes and Industries.
- To identify young talent with research aptitude and interest to take up research as career.
- To promote talent search throughout the country.
- To nurture the talent through specialized training and education in some of the nationally and internationally reputed premier institutions of higher learning in the country.
- To provide proper incentives to enhance the skill of potential students.
- To initiate an intensive research culture in selected group of students.
- To project the thrust areas of various subjects.
