

# Nanded Education Society's **SCIENCE COLLEGE, NANDED**

(Re-accredited with "A" Grade by NAAC with CGPA 3.47)  
(Affiliated to Swami Ramanand Teerth Marathwada University, Nanded)

College with Potential for Excellence (CPE)

## VISION

"To educate and transform the youths  
to touch life at all points with human values."

# INFORMATION BROCHURE 2016-17

## Principal's Desk

A hearty welcome to Science College Nanded. It's an exciting experience to be a student of this college. If you want a bright future and utilize your full potential then Science College, is a great place. You will learn in an inspiring, research intensive and highly educative atmosphere. Our efforts were acknowledged by NAAC, Bangalore by reaccrediting our college with A grade with highly acclaimed score of 3.47 CGPA. UGC has awarded college with potential for excellence (CPE) status for college.

As a right step towards fulfillment of the mission, Poojya Swami Ramanand Teerth established Nanded Education Society's Peoples College, Nanded in 1950 as a pioneer institute to impart education to the underprivileged and downtrodden people of this region with the vision and mission of imparting education to the youth to create responsible, patriotic citizen to build secular democratic nation. Visualizing the future and the need of science education in India, a separate science faculty was started in June 1951 by the society. Sensing the importance of science education in near future, the founders bifurcated People's College, Nanded and established a separate college for science education in June 1963 as N.E.S. Science College, Nanded.

Our mission is to inculcate knowledge and skills among students who are passionate about their chosen field and also to attract brightest minds to Science College and enable them to realize their full intellectual and creative potential. If you are curious about your career and if you want to make difference Science College is the perfect place fit for you.

The college has excellent track record to equip students with pragmatic knowledge in science. It offers a number of courses to inculcate and imbibe scientific attitude in the minds of students. We explore and harness potentiality of our students to draw all that is the best, excellent and useful for our nation and for the individual. The college has healthy and innovative practices such as Students-Teacher guardianship, Earn and Learn Scheme, Alumni Association, Career Guidance and

Placement Cell, NET/ SET and GATE classes, Remedial Coaching etc. We have a separate cell to help SC/ST/OBC and Minority students to obtain jobs and services besides developing their all-round personality.

Science College is an inspiring institution that leads the way in research and innovation. The college has a reputation in pioneering and offering research facilities in different subjects, leading to Ph.D. degree. Guest lectures by the experts, seminars, workshops, conferences, research paper writing, presentation and publication are regular features of our college. So our college enables students to develop research aptitude in an innovative way.

We have strong and well equipped units of NSS and NCC which enforce and execute the extension activities like health awareness, cleanliness, blood donation camp, literacy drive programme and rain water harvesting. Besides teaching, learning, and evaluation process, we conduct sport, social and cultural activities and general knowledge tests in our college. We have recently expanded and enhanced our sport complex and facilities with indoor hall, cricket ground, football grounds and 400 m Olympic size running tracks of eight lines. We accepted new challenges of the globalized world and equip our students to face the future with confidence. We feel proud to provide quality education with different skills, co-curricular and extracurricular activities. We have highly inspiring and qualified faculty who are always ready to help students in their journey.

We are lucky to be located in the heart of Nanded city having 85 acres of land with beautiful campus and lush garden. Our ethos can be summed up as excellence, equality, research, innovation, knowledge and skills.

*We are always ready with smile to welcome you.  
Wish you bright future.*

**(Dr. D. U. Gawai)**

## Science College : Swamiji's Dream Blooming

"The Science College will try to cultivate tendencies of the service of people amongst those who will receive instructions here. They will carry with them the heart of poor in all their activities as citizens of free India. The suppressed, downtrodden and exploited shall be the objects of their service. This Institution can be viewed to use the expression of Rabindranath Tagore, as a small nesting in which the young ones will be fed in all tenderness with food which will make them fit for the service of the people."

"The Science College will try to give a new orientation and educate the students to touch life at all points including the most important one, the human point. There is no regimentation, no particular 'ism' which is being specialised within the perview of this Institution. The students have freedom to develop their own national and international views without any bias or prejudice. Our only anxiety is to see that the human point is fully touched. The evolution of the whole personality of man is what we wish to achieve through this College."

### Swami Ramanand Teerth

Founder President  
Nanded Education Society, Nanded  
(03-10-1903 to 22-01-1972)

### Govindbhajji Shroff

Former President  
Nanded Education Society, Nanded  
(24-07-1911 to 21-11-2002)

## MISSION OF NANDED EDUCATION SOCIETY

The aims and objectives as envisaged in the memorandum of association of Nanded Education Society, Nanded as adapted in the year 1950 read as under:

"The aims and objects of the society shall be to start and takeover educational institutions and to supplement the educational endeavors of the Maharashtra state by imparting to the youths of this state generally and

Marathwada particularly, an efficient primary, secondary, technical and university education, with a view to infusing in them the spirit of enlightened and responsible citizenship, worthy of a secular, democratic state. To this end the society shall open and takeover institutions and shall take other steps as may be most conducive to the attainment of the aims and objects."

## GOALS

In view of changing scenario of higher education at national and international levels and advancing frontiers of science and technology this institution has reviewed, contemplated and redesigned the goals and tried to give them a new orientation and additional dimension but keeping the core human values intact. These goals are as under.

1. To provide ideal academic atmosphere for the pursuit of excellence in higher education.
2. To introduce new restructured and vocational courses to keep pace with evolving standard of professional competence.
3. To impart in-depth knowledge and expertise through innovative methods of teaching and learning so as to create a pool of resourceful, self motivated scientific manpower.
4. To prioritize good governance and high ethical standards at institutional level.
5. To promote high quality research stressing the regional needs and social relevance.
6. To nurture the research activities for academic nourishment, updating and fostering of scholastic temperaments.
7. To organize extension activities for community development focusing on civic responsibilities, social awareness and value based education.
8. To provide a forum to promote the broader interaction among scientific, social, cultural community by organizing exhibitions, workshops, Seminars, Symposia, conferences and other relevant deliberations.
9. To impart broad-based knowledge to face current competitive world.
10. To make higher education relevant to knowledge age.

## VARIOUS ACTIVITIES OF COLLEGE

### 1. SUPPORTING SERVICES

#### 1.1. NSS:

NSS unit acts as a bridge between the college and the society and is operating since 1969-70. The college unit has rendered its assistance in holding blood donation camps, helping in maintenance of Law and Order in the district, creating awareness against female infanticide and AIDS. It did a splendid work by helping quake affected people in Killari of Latur district. Every year, the NSS unit releases a wall paper namely "Bharari", which touches various problems of human society. The college unit is the recipient of one of the best programme officers and NSS unit award for 2004-05 and 2009-10 declared by Govt. of Maharashtra.

#### 1.2. NCC:

The NCC unit of the college has the enrolment of 52 cadets. It is concerned with preparation of students for 'B' and 'C' certificate examination. Every year, many students get success in 'B' and 'C' certificate exams and find their position in defense service. Mr. Abhijit Joshi, one such student, is serving the nation in Air Force. The unit is also active in various social services like organizing blood donation camps, helping the district administration in maintenance of Law and Order, Tree Plantation, Organizing Disaster Management Camps.

#### 1.3. Career Guidance and Placement Cell:

The college has a separate Career Guidance and Placement Cell. The Career guidance cell offers guidance in fields where job opportunities are available; it undertakes counseling work and directs the students in the field of their interest. Special guest lectures are arranged for developing entrepreneurship among students.

The Placement Cell arranges campus interviews of reputed companies for students. Many students have got benefit through the cell.

#### 1.4 Coaching for Entry in Services :

Students are motivated to appear for different competitive examinations. Special coaching is provided to SC/ST/OBC/Minority students, under University Grants Commission Scheme.

Additional special Reading room facility with thousands of books, magazines & news papers is available to those students appearing for various competitive examinations. The reading room opens during working hours from 10.30 a.m. to 5.30 p.m.

#### 1.5. Remedial Coaching:

Students of SC and ST, OBC & Minorities categories are benefited under this scheme. Weaker students are identified and special coaching is given to the students free of cost for improvement of result, strengthening the knowledge and proficiency in the subject.

#### 1.6. SET/NET/Olympiad

Special guidance is given to students appearing for

SET/ NET and Olympiad exams. Guest lectures from eminent persons are organized for these students. SET/NET facility is provided to PG students and those which passed PG exams. At Junior College level, Guidance for Olympiad examination in Physics, Chemistry, Mathematics, Biology, Geology is given by the faculty.

#### 1.7. Internet Centre:

An internet facility free of charge is provided to students. The students utilize the facility for collecting study material. All departments are also provided internet facility which is used by staff and research scholars only.

#### 1.8. Sports:

The college has a well equipped Sports Department. The department has a gymnasium. At present, work of a running track of Olympic size and an indoor sports complex is in progress, for which assistance is provided by UGC, New Delhi. A large number of students participate in different sports events and win awards.

#### 1.9. Library:

The college has a big library. The library has a collection of many rare books. Besides a large number of reference books, text books, periodicals are available. The researchers are provided a facility of back volumes. The library has 50,000 books, 15000 unique titles of science and related disciplines. In addition, biographies of great persons, competitive exam book are available. The library subscribes 120 periodicals every year. Library is fully automated. Online Public Access (OPAC) facility is provided to users. Library is a registered member of INFLIBNET, Ahmedabad, for the subscription of N-list, online access facility, under this user can have access to 2100 research based journals and 51,000 e-books.

#### 1.10. Health Centre:

The college runs a health center, which is looked after by a team of former students of the college. The centre addresses various health issues of the students. Some lady doctors guide the girl students about maintenance of health.

#### 1.11. Earn and Learn Scheme:

This is a service meant for economically weaker students. The teaching and non-teaching staff monthly contributes voluntarily to this fund. Such students are given financial help for books/uniform/hostel facility/examination fees etc.

### 2. COLLEGE ACTIVITIES

#### 2.1. Girls' Activities:

Girl students are provided a separate platform to express their skill in the fields other than studies. Among such activities are essay writing, debating competitions, group discussion, lectures from eminent lady social activists, personality development programmes, etc.

## 2.2. Staff Welfare:

The teaching and non-teaching staff members run a Credit Co-operative Society, which is registered under Co-operative Societies' Act. Personal loans and emergency loans are given to staff members.

## 2.3. Seminars:

In order to develop communication skill, seminars are held in each subject for all classes. Seminars also form a part of curriculum. This practice helps in developing stage courage, research paper writing & presentation skill and communication skill among students.

## 2.4. Tutor-Ward System:

The system is mainly aimed at developing cordial relation among teacher and students. Each faculty is given a group of 10-15 students to look into their academic and related difficulties. The students are counseled and they are suggested to develop some skills in the field of their liking.

## 2.5. Skill-Will Club:

This activity is meant to develop different skills in various fields as per the desire of the students. A student can opt for any skill and he is trained in that skill by an expert faculty in that field. This helps in understanding the basic concept and creativity among students.

## 2.6. Student prizes:

In order to provide encouragement, the meritorious students at different levels are given prizes. These prizes are sponsored by alumni of the college, eminent citizens in the memory of their beloved, ones, college staff and college itself. Sponsors, parents of prize winners, prize winning students, faculty are invited to attend the programme. Various prizes are as below.

1. Late Madhavraoji Lavekar Memorial Prize is given to the candidate standing first in college in Biology group at XII.
2. Late Dr. Prakash Advant Memorial Prize is given to the candidate standing first in the college at XII.
3. Late Dr. Prakash Advant Memorial Biology Prize is given to the candidate who scores highest marks in Biology subject in the college at XII.
4. Late Radhabai Bichewar Memorial Prize is given to the candidate securing highest marks in Mathematics in the college at XII.
5. Late Janaki Narhar Kulkarni memorial Prize is given to the candidate standing first in Sanskrit in the college at XII.
6. Late Laxmanraoji Deshpande Siranjanikar Memorial Prize is given to the candidate getting highest marks among girls in the college at XII.
7. Late Raghunathraoji Sahastrabudhe Memorial Prize is given to the candidate scoring highest Marks at B.Sc. in Electronics.
8. Late Narharro Mairalrao Penorkar Memorial Prize is given to the candidates scoring highest marks in each PG subject.
9. Late Smt. Sunderabai K. Darbhakar Memorial Prize is given to the candidate scoring highest marks among girls in the college at XII.
10. Late Krishnarao Darbhakar Memorial Prize for a candidate scoring highest marks from among boys in the college at XII.
11. Late Bhagwanraoji Ganjwe Memorial Prize is given to the candidate scoring highest marks at graduation level.
12. Late Gyanobaro Jampalkar Memorial Prize is given to the candidate scoring highest marks in Physics in the college at XII.
13. Late Abhijit Lathkar Memorial Prize is given to the candidate scoring maximum marks in Fisheries at XI in the college.
14. Late Shrinivasrao Bendarkar Memorial Prize is given to the candidate scoring highest marks in Sanskrit at XII.

15. Late Godavari Nagnathrao Choudekar Memorial Prize is given to the candidate who scores highest marks in MH-CET among OBC candidates of the college.
16. Late Dattatraya Ramchhappa Ratnakar Memorial Prize is given to the candidate who gets maximum marks in MH-CET in the college.
17. Late Shivrajrao Hariharrao Choudhari Memorial Prize is given to the candidate getting maximum marks in English at XII in the college is given this prize.
18. Late Aiyengar sport prize is given to the outstanding sports student form the college.
19. Dr. D. S. Deshpande Gold Medal is given to the candidate who secure 1<sup>st</sup> Rank in University Examination in M.Sc. Chemistry.
20. Late. Dr. K. S. Deshpande Memorial Gold Medal is given to the candidate who secure 1<sup>st</sup> Rank in University Examination in M.Sc. Botany.
21. Dr. Ramarao Gold Medal is given to the candidate who secure 1<sup>st</sup> Rank in University Examination in M.Sc. Zoology.
22. Late Sow. Alaknanda B. Deshmukh Memorial Prize is given to the student scoring maximum marks in English at UG level.
23. Late Shri B.S. Deshmukh Memorial Prize is given to the student scoring maximum marks in Mathematics at PG level.
24. Late Sulochanabai Choudhari Memorial Prize is given to a girl student scoring maximum marks in Chemistry at HSC examination in the college.
25. Late Sulochanabai Choudhari Memorial Prize is given to a candidate scoring maximum marks at HSC level in the college.
26. Late V.D. Choudhari Memorial Prize is given to the student of Science College securing highest marks in Physics at HSC level.
27. Late V.D. Choudhari Memorial Prize is given to the student of Science College securing highest marks in Physics at UG level.
28. Late Sow. Sushilabai Bhusari Memorial Prize given to the student securing highest marks in Hindi at HSC level.
29. Late Sow. Sarojini Kishanrao Mandlik Scholarship for Microbiology students (Rs. 1,25,000/- Fix Deposit)
30. Late Sow. Mandakini Suresh Kulkarni Memorial Prize is given to the girl student securing highest marks in XII Sci.
31. Late Parvatibai Shankarrao Deshpande Memorial Prize is given to the student securing highest marks in M.Sc. Organic Chemistry.
32. Prof.B.B. Kulkarni sponsored Sulochanabai Memorial Prize M.Sc. First Year Mathematics.

## 2.7. Science Association:

Under this activity, efforts are made to develop scientific temperament among the students. The student members of science association celebrate various scientific events including birth anniversaries of different scientists, National Science Day, when guest lectures of eminent speakers are arranged. The science association also arranges seminars of students and lecture series of college teachers every year. Exhibitions are arranged for school students.

## 2.8. Alumni Association:

The college has a registered alumni association. Members of the association offer valuable suggestions for development of college and also have contributed by providing finance to construct a few teaching halls.

## 2.9. Extension Activities:

The college has adopted some schools. Students of these schools are given demonstration of some experiments, similarly some schools visit the college to observe the museums. The college teachers also give extension lectures in other colleges and thus the college provides its expertise to other institutions also. All the departments are engaged in providing consultancy and have established linkages with reputed research institutions.

**3. CO-CURRICULAR ACTIVITIES****3.1. Study tours and industrial visits:**

Study tours are an important part of curricula of different subjects. Accordingly, study tours are arranged every year and the students are taken to various renowned institutions and are acquainted with different techniques. The industrial visits help in understanding the requirement of industries and accordingly the students can prepare themselves.

**3.2. Seminars, Workshops and Conferences:**

The college organizes seminars, workshops and conferences at national and international levels in various subjects. These conferences and workshops are funded by many funding agencies. In such conferences, the staff and students can interact with eminent researchers and have exchange of ideas. Student of the college participate in Youth Festival every year and put forth their skills. In order to inculcate democratic values among young generation, election are held for students council every year. From elected class representatives, a general secretary is elected. The general secretary represents the college at university level. The college had honour to become the university representative earlier. The students' council decides the activities to be performed throughout the academic year including annual social gathering. In addition, elected representatives are accommodated in different committees.

**3.3. Debate Competition:**

Every year on 22<sup>nd</sup> Jan. the college organizes a state level debating competition in the memory of its founder Poojya Swami Ramanand Teerth, a great visionary and freedom fighter of Hyderabad Freedom Struggle.

**3.4. Botanical Garden & Medicinal Plant Garden & Fish Pond:**

The college has a well developed Botanical garden; many ornamental plants are maintained in this garden.

A medicinal plant garden is also established. About 150 varieties of medicinal plants have been cultivated. The college intends to cultivate some more varieties of rare medicinal plants. A fish pond is developed by the college. Demonstrations of different techniques are given to Fisheries students.

**3.5. Hands on training:**

Hands on training courses are arranged by various departments. Testing of soil, identification of adulteration, water testing are carried out by Chemistry department. Botany department helps in identification of plant diseases and their cure. Physics department provides training in instruments maintenance, Vormiculture and Vormicomposting training is given by Zoology department, while Mathematics department provides opportunities in use of Metlab, Mapple and Mathematica softwares. Computer department makes the staff computer literate, while the Geology department helps in rainwater harvesting and records seismic activities and tremors of earthquakes.

**4. RESEARCH ACTIVITIES****4.1. Research Ambians:**

The college has encouraging research ambience. It is a recognized research centre in Physics, Chemistry, Botany, Zoology and Mathematics. Well equipped research labs are maintained. The faculty is recipient of minor and major research projects. Presently, 2 major projects and 5 minor projects are ongoing of the total staff in senior wing, are 25 Ph.D. holders and 19 are research guides. The research facilities are provided to research guides and research students from other institutes also. Presently, about 79 students are doing research. The faculty and research students are encouraged to present their research findings in seminars and conferences and publishing the research papers in reputed research journals.

**4.2. Research Facilities**

To cater the needs of research activities of the College and also to serve to needs of researchers from other colleges, we have following facilities to carryout measurements and sample characterisation. The user can avail these facilities by submitting the samples along with the duly filled requisition form.

1. FTIR spectrophotometer for identification of functional groups and characterisation of materials.
2. X-band (8-12 GHz) K-band (12-18 GHz) KU-band (18-22 GHz) Microwave benches for dielectric study (for solids and liquids), workshop.
3. 1 to 10 MHz multifrequency ultrasonic interferometer along with low temperature both (-50r to +50r)
4. Susceptibility measurement set-up (for solids & liquids)
5. Equipments for basic parameters such as density, viscosity, surface tension, refractive index, digital balance.
6. Double beam spectrometer, UV-VI spectrometer, flame photometer for estimation of proteins DNA, RNA etc.
7. Softwares Matlab, Mapple, Mathematica.
8. Seismograph, Microtome, Microscope petrological.
9. Phytochemical analysis.
10. Antimicrobial activity.
11. Plant disease diagnosis.
12. Major equipments available - HPTLC, FTIR, PCR, Flame photometer, UV-visible spectrophotometer, Cooling centrifuge, Microphotography camera, Binocular research microscopes.

**4.3. Consultancy and Linkages:**

The college provides consultancy in problems related to different fields. Linkages have been developed and MoUs have been signed with research institutes of national and international repute.

**4.4. Central Instrumentation Facility:**

The college has set up a Centralized Instrumentation Lab, where sophisticated instruments like FTIR, HPTLC, Cooling Centrifuge, Double Beam Spectrophotometer, Research Microphotography Unit are available. Candidates can get benefit of these facilities by payment of nominal charges.

The college has set up a Centralized Instrumentation Lab, where sophisticated instruments like FTIR, HPTLC, Cooling Centrifuge, Double Beam Spectrophotometer, Research Microphotography Unit are available. Candidates can get benefit of these facilities by payment of nominal charges.

**5.0. Women's Hostel:**

The college has completed construction of Women's Hostel having accommodation of 60 girl students. Admissions to the hostel will be from July 2013.

## POST GRADUATE COURSES

### 6.1 M.Sc. BOTANY (Grant & Non-Grant):

M.Sc. Botany was started in 1970 with 'Plant Pathology' as specialisation. The Department has spacious well equipped laboratories, and library. So far 56 students secured Rank in University Examinations of which 9 secured Gold Medals. 2 students passed SET/NET/GATE examinations. 50 for Dept. has organised successfully various conferences of state level and national level. Five conferences are organized by the department. Special seminars are conducted to initiate students in teaching and research career. There are 16 seats for the course on grant basis and 14 on Non-grant basis. Department has a medicinal plant garden with more than 100 plant species.

### 6.2 M.Sc. MATHEMATICS (Granted):

M.Sc. Mathematics is one of the oldest department in this region. More than students got Ranks in University Examinations of which 3 secured Gold Medals. Five students qualified for NET/SET/GATE examinations. Four conferences are organized by the department. The department teaches both pure and applied specializations at the post-graduate level. The seats on grant basis are 60.

### 6.3 M.Sc. PHYSICS (WITH ELECTRONICS) (Non-Grant)

Course leading to M.Sc. degree in Physics was started in 1989 with Electronics as special subject. The Department has spacious laboratories in Physics Electronics, 13 students got Rank in University Examinations. One student qualified for NET exam. The students are also exposed to the lectures from eminent person from the University Department of Physics, as well as from other universities. The Electronics laboratory is equipped with computers. Intake capacity is 30. Research is mainly done in microwave field.

### 6.4 M.Sc. COMPUTER SCIENCE (Non-Granted):

M.Sc. Computer Science was started 2004. Department has fully furnished and well equipped computer labs. Number of students are selected in various companies. One student got Rank in University examination. Intake capacity is 40.

### 6.5 M.Sc. CHEMISTRY (Non-Grant) (ANALYTICAL & ORGANIC):

M.Sc. Analytical Chemistry started in 1995 while M.Sc. Organic Chemistry was started in 2004. 14 students got ranks in University Examination, 18 students passed SET/NET/GATE examination. Number of students are doing their Ph.D. in reputed foreign Universities, NCL Pune, IIT Hyderabad etc. Our college has independent laboratories for the Post-Graduate students. Students are preferred in campus interviews of pharmaceutical companies and number of students are working in multinational companies like Dr. Reddy, CIPLA, EMLURE, etc. Some post graduate students in analytical chemistry are

selected as the research fellow in Nationally known research institute. Intake capacity is 30.

### 6.6 M.Sc. ZOOLOGY (Non-Granted):

M.Sc. Zoology was introduced from 1998. Department has well equipped laboratories. 06 students secured ranks in University examination from which 01 got Gold Medal. Department is having a Fish cultivation pond for demonstration of fish cultivation techniques. Intake capacity is 30.

### 6.7 M.Sc. BIOTECHNOLOGY (Non-Grant):

M.Sc. Biotechnology was started in 2010 to fulfill the demands of the students. Department has fully furnished and well equipped tissue culture laboratory. Intake capacity is 30. The students will have placement in field of Seed Companies, Pharmaceuticals, various Research Laboratories and Universities.

### 6.8 P.G. DIPLOMA IN SEISMIC STUDIES, GEOTECHNOLOGY AND DISASTER MANAGEMENT (UGC GRANT COURSE)

UGC, New Delhi has sanctioned P.G. Diploma in Seismic Studies, Geotechnology and Disaster Management under innovative programmes in emerging areas. This course aims to generate the highly trained and motivated experts in Geotechnical assessment for seismic activity. The man-power generated will have placement in various government agencies, local bodies, public sector under-takings and multinationals which deal in developing appropriate technologies for earthquake disaster mitigation, construction, oil and mineral exploration and as consultants and designers for construction industry.

The B.Sc. passed students are eligible for this two year diploma. The intake capacity is of twenty (20) students, and five seats are reserved for sponsored candidates.

**Note:** A separate brochure has to be purchased for this course.

### 6.9 M.Sc. Herbal Medicine

M. Sc. Herbal Medicine is a two year post graduate degree course (Course is sanctioned by UGC New Delhi) provides high quality training that equips post graduates to build successful practices. It is carefully structured and allowing students to develop their confidence and skills, and reach their full potential as professional Herbalists. Students are strongly encouraged to develop their own unique style of consultation and application.

The proposed course will explore the maximum utilization of plant resources, extraction of active principles from medicinal plants in order to optimize a single chemical compound for treatment of diseases. Preparation of different formulations from medicinal plants locally available.

**Note:** A separate brochure has to be purchased for this course.

**COURSES OFFERED BY COLLEGE****SENIOR COLLEGE**  
**(Under Graduate Courses)****6) GENERAL B.Sc. COURSE****6.1 Compulsory subject :****English** (For I and II Yr)**6.2 Second Languages : (Any One)**

(For I and II Yr)

- 1) Marathi
- 2) Hindi
- 3) Sanskrit
- 4) Addl.English

**6.3 Optional Subjects:****(Choose as per Groups given)**

- 1) Physics
- 2) Chemistry
- 3) Mathematics
- 4) Botany

## 5) Zoology

6) Comp. Science (Non-Grant)

7) Electronics

8) Geology

9) Microbiology

10) Statistics

11) Fishery Science

12) Analytical Chemistry

13) Agrochemicals and Fertilizers

14) Agricultural Microbiology

**7) INTEGRATED COURSES (NON-GRANT)**

1) B.Sc. Biotechnology

**8) CERTIFICATE COURSES**

8.1 Disaster Management (6 months)

8.2 Diploma in Women Empowerment (one year)

**Subject Combinations for UG Students**

1. Chemistry, Botany, Zoology
2. Chemistry, Botany, Agrochemicals & Fertilizers
3. Chemistry, Agrochemicals & Fertilizers, Computer Science
4. Chemistry, Zoology, Fishery Sci.
5. Botany, Zoology, Fishery Sci.
6. Zoology, Computer Sci., Fishery Sci.
7. Chemistry, Botany, Agricultural Microbiology
8. Botany, Computer Sci., Agric. Microbiology
9. Chemistry, Botany, Analytical Chemistry
10. Chemistry, Botany, Microbiology
11. Chemistry, Zoology, Microbiology
12. Botany, Zoology, Microbiology
13. Chemistry, Botany, Comp. Science
14. Chemistry, Zoology, Comp. Science
15. Botany, Zoology, Comp. Science

16. Chemistry, Computer Sci., Geology
17. Chemistry, Botany, Geology
18. Chemistry, Physics, Mathematics
19. Chemistry, Physics, Geology
20. Physics, Mathematics, Geology
21. Chemistry, Physics, Analytical Chemistry
22. Chemistry, Physics, Electronics
23. Physics, Computer Sci., Electronics
24. Mathematics, Physics, Electronics
25. Mathematics, Physics, Statistics
26. Mathematics, Computer Science, Statistics
27. Chemistry, Computer Science, Statistics
28. Chemistry, Physics, Computer Science
29. Mathematics, Chemistry, Comp. Science
30. Mathematics, Physics, Computer Science

**(Min. five students are compulsory to continue a group.)**

- ❖ Candidate seeking admission to Senior College (UG, PG, Granted & Non-granted) shall have to pay eligibility fee as follows.
- Rs. 100/- for students from S.R.T.M.U. Nanded. ● Rs. 200/- for students from outside S.R.T.M.U. Region.
- Rs. 500/- for students from outside state.
- Non-Grant students will have to pay Rs. 100/- for registration.
- ❖ Certificate Course in Disaster Management - Rs. 2100/- (As per SRTMU, Distance Edu.)
- ❖ Diploma in Women Empowerment Course – Rs. 2500/-
- ❖ Fees for Computer Science - Rs. 1500/-

**Fees Structure for Ph.D. Research students**

- 1) **Research Center Fees (Student)** Rs. 5,000/- for first three years. (**Research Guide**) : Rs.10,000/-
- 2) **Library Fees** Rs. 1,500/- for first three years. 3) **Pre-Ph.D. Viva Fees** Rs. 1,000/-

## JUNIOR COLLEGE - FEES STRUCTURE

### (XI and XII Science)

**Compulsory Subject: English**

**Second Language: (Any One)**

Marathi / Hindi / Sanskrit / Information Technology

**Optional Subjects: (Any Four)**

1) Mathematics 2) Physics 3) Chemistry

4) Biology 5) Geology

6) Information Technology

**Vocational Courses: (Any One)**

1) Electronics 2) Computer Science

3) Fishery Science 4) Crop Science

5) Horticulture

#### NOTE

Candidates seeking admission to Junior College from outside the state of Maharashtra shall have to pay eligibility fees Rs. 75/- for obtaining eligibility certificate from the secondary board.

College Development fees Rs. 2400/- is collected as per Govt. Circular No.Voc-2007/(150/07)vyashi-3 dated 3 august 2007

#### VOCATIONAL GRANTED COURSES FEES FOR EVERY YEAR

Electronics (for 50 seats) Rs. 2900/-  
Fisheries (for 50 seats) Rs. 2900/-

#### VOCATIONAL NON-GRANTED COURSES FEES FOR EVERY YEAR

Computer Science (150)	Rs. 4150/-	Information Technology (60)	Rs. 4150/-
Electronics (for 100 seats)	Rs. 4150/-	Crop Science (50)	Rs. 4150/-
Fisheries (for 50 seats)	Rs. 4150/-	Horticulture (100)	Rs. 4150/-

#### Admission Rules:

- The students who wish to seek admission in different courses should submit original certificates of the following alongwith true copies at the time of admission.
  - H.S.C./B.Sc. Marks Memo in original with two copies.
  - Transfer Certificate in original with two copies.
  - A Passport size photograph.
  - Students belonging to SC/ST/DNT/NT/VJNT/OBC/SBC should submit the caste certificate and caste validity certificate.
  - E.B.C. application form along with income certificate.
  - Students belonging to SC/ST/DNT/NT/VJNT/OBC/SBC will have to submit the prescribed applications form for validity which can be procured from office free of cost.
- Students who do not belong to SC/ST/DNT/NT/VJNT/OBC/SBC or who are not children of Primary Teacher/Freedom fighter will have to pay the total prescribed fees and seek the admission for the non-grant M.Sc. courses please refer the brochure.
- Admission to all M.Sc. course will be offered as per Swami Ramanand Teerth Marathwada University, Nanded Rules. The admissions are subjected to approval of the University as per rules appended hereto separately.
- To seek admission to XI standard
  - Candidate should have minimum 40% marks in Science Subject at 10<sup>th</sup> Standard.
  - Candidate having general mathematics at SSC level will do not allow to admit for engineering group.
  - Candidate should pass in compulsory English subject.

## ANTI RAGGING REGULATION

Ragging is legally banned. It is a punishable offence. In view of the increasing number of events of ragging, the University Grants Commission has passed the "UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009.

Ragging is any conduct by "any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or including in rowdy or in-disciplined activities by any student which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in any ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing of power, authority of superiority by a student over any fresher or any other student."

The Anti-Ragging Committee may, depending on the nature and gravity of the guilt established by the Anti-Ragging Squad, award, to those found guilty, one or more of the following punishments namely:

1. Suspension from attending classes and academic privileges.
  2. Withholding / withdrawing scholarship/ fellowship and other benefits.
  3. Debarring from appearing in any test / examination or other evaluation process.
  4. Withholding results.
  5. Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
  6. Suspension/expulsion from the hostel.
  7. Cancellation of admission
  8. Rustication from the institution for period ranging from one to four semesters.
  9. Expulsion from the institution and consequent debarring from admission to any other institution for a specified period.
- Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment.  
The students are devised to consult the Anti-Ragging Committee in case of emergency.

**Note:** Students will have to submit the Annexure-I (Affidavit by the students) and Annexure- II (Affidavit by parent/ guardian at the time of admission.)
